Term: 9 weeks

About the Class: Social

Talking point is a discussion group, sharing ideas about various topics e.g. current affairs, history, travel and health. Each term we invite a different guest speaker to discuss a topic of interest and/or importance. Most of all we have fun and make new friends.

My idea of good company is the company of clever, well-informed people who have a great deal of conversation; that is what I call good company.
